

THE CREATION PROJECT

A study of creation that is faithful to Scripture and informed by scientific evidence, presented by Hope Church.

Join us

Spring 2018

March 3-4: Hans Madueme

M.D., Ph.D., Professor of Theology at Covenant College.

- Saturday lecture, March 3, from 6-7pm: "Adam, Eve, and the Scientific Challenges," followed by 30-minute Q/A. A dessert reception will follow the lecture.
- Sunday sermon, March 4, at 9 and 10:45am: "A Bright Light Shining: Gen 3:15."

March 11: C. John Collins

Ph.D., Professor of Old Testament at Covenant Theological Seminary.

- Sunday classes, at 9 and 10:45am in Fellowship Hall: "Interpreting Genesis 1-2."
- Sunday lecture, from 6-7pm: "Science and Faith: Friends or Foes?" followed by a 30-minute Q/A. A meal will be served from 5-6pm.

April 8, 15, 22, and 29, 2018: Sermon Series: "Creation Matters"

- Sunday, April 29, at 12 noon: Creation Project congregational celebration and debrief in Fellowship Hall (Q/A with the focus group). A light lunch will be served.

THE CREATION PROJECT

Come and worship with us every Sunday at 9 am or 10:45 am.
Our mission is to build a community who loves Christ to reach a
community who needs Christ.
