

HIGH SCHOOL DISTRICT CONFERENCE – JAN 5th – 7th

Alright folks, District Conference is right around the corner and IT SHOULD BE AWESOME!!

This letter should have all the details you need to prepare.

FOOD – Breakfast lunch and dinner are covered in the cost of registration. Meals will be purchased at restaurants, so please make sure I am aware of any allergies that will impact our dining choices. We will do our best to accommodate everyone.

TRAVEL

- We are leaving the church property at 2:00 on Friday to head to Green Bay
- We will be back somewhere between 2:30 and 5:00 on Sunday.
 - o We will have students call their rides as we get closer.
- We are traveling by means of a caravan of leader driven mini-vans.

PACKING LIST - Please pack in a duffel bag or some other soft bag instead of a hard suit case. This will make storage of the bags easier for transport.

- Bible, pen, and notepad
- Clothing – all clothing should be modest
- Remember it is January in Green Bay – Pack accordingly.
 - o At the same time, we will be inside a conference center much of the time, so layers will help in regulating temperature as it may be warm inside.
- Personal items and toiletries you may want (please include deodorant, we are staying in close quarters)
- Water bottle – hydration is important
- You can bring money for snacks and souvenirs, but is not necessary.
- DO NOT BRING pillows, towels and sleeping bags. We are in hotels that provide all of this.

OTHER THINGS TO KNOW

- Please bring any remaining payments that you may owe.
- While students may bring a cell phone, they will be expected to be used responsibly.
- Also, we do not want headphones on the trip. One of the reasons we are on this trip is to form and deepen community. We can listen to music altogether in the vans as a community.
