

WHAT YOU NEED TO KNOW!

We will be taking our middle school students to Minneapolis this summer. The primary focus of this trip is to grow together as a community. We will be going to the Mall of America, Valley Fair and other fun spots. We want our students to bond and form significant connections with other students and leaders and this is a great environment for these things.

We also want to use this time to focus on our ability to meet other's needs as a group, and reflect on what it means to be a body together. For this reason, we will be serving with Feed My Starving Children while there, as well as having devotional times set aside each day for reflection.

In Him,
 Greg Lynas
